I-64 Outer Road and Access Proposals

Derek Koestel, Public Works Director, informed the Board that City staff has been participating in discussions and planning activities with St. Charles County and the cities of O'Fallon and Dardenne Prairie to develop a plan for improved access to properties along I-64 from the 364 interchange south to Highway DD. A proposal for improved access in the aforementioned area including additional access points was previously submitted to MoDOT and rejected. The current and on-going discussions are related to another attempt to gain MoDOT's approval. Mr. Koestel presented information about the proposals being discussed, noting that they are generally favorable for access to and from Lake Saint Louis.

A general discussion was held about the I-64 outer road and access proposals. The Board also discussed which road improvement project MoDOT would consider a higher priority, the I-64 road improvement proposals or the Highway 70 road improvement proposals.
